Snooker Pairs 2022 Entries

Entries close Saturday 22 October. Play commences Tuesday 1 November. This competition is open to all club members.

In order to complete the competition as quickly as possible matches should be scheduled on Monday, Tuesday and Wednesday evenings, starting no later than 7:00 pm, or another mutually agreed day within the time limit of one week. You must avoid times of high use such as early Thursday, Friday and Saturday evenings, and the Adjunct night on the first Wednesday of the month.

You must play your first round match by Tuesday 8 November and further matches are expected to be played within one week of both players being clear from previous round.

All matches are best of three, apart from the final, which is best of 5. If all 4 semifinalists agree the semis may be best of 5, in which case the final will be best of 7.

Please check with Graeme if there are any issues or questions.
